In Appreciation

The officers, Board of Directors and those connected with the RCFFA appreciate the cooperation shown by the organizations and individuals who have done so much to make this fair one of the best fairs in southern Illinois.

The RCFFA wishes to express its' sincere thanks to the advertisers for having made this premium book possible, and highly recommend these advertisers to the buying public.

***Sincerely yours,
Richland County Farm & Fair Association***

Tasting Room Hours:
May - October
Saturdays Noon-5pm

A large group of people, mostly young adults, are sitting on a long hay bale in a vineyard. They are dressed in casual summer attire like t-shirts, jeans, and hats. Some are holding wine glasses, and one person in the center is holding a bottle of wine. The background shows rows of grapevines and trees under a bright sky.

26th Annual Harvestfest October 10th & 11th

Fun & excitement await you at our Harvestfest. To commemorate, the new vintage is released. Live music will flow through the breeze. Hayrides will be had, bottles busted, grapevine wreaths tossed, and hearts will be gladdened by the juice from the surrounding hills.

RULES AND REGULATIONS

Pursuant to "Act in relations to County and Agriculture Fairs, Fair and Exposition Fund Fairs and agricultural extension clubs, to make appropriations in connection therewith, and to repeal certain Sections of an Act therein named". "Approved August 20, 1971, these Rules and Regulations are promulgated".

Payment of State Aid Claims: No one department or class shall be paid State Aid on premiums awarded on excess of 30% of the total premiums awarded by the fair association. (Department of class, meaning Beef Cattle, Dairy Cattle, etc., as listed on the Grand Summary). The fair association will not be held responsible or subject to deduction in case of national disaster, boycott or act of God, applicable only to this regulation.

All gambling and gambling devices and the sale of alcoholic liquors are termed unlawful on the grounds of any County Fair or agricultural society. (Beer is excepted). The Fair officials will be held responsible for such violations. It is their duty to see that such violation does not exist. It is the responsibility of the local law enforcement officials to enforce all State Laws in relation to gambling. Gambling devices and the sale of alcohol liquors. (Beer is excluded).

The Department of Agriculture may deny State Aid to county fairs or other agricultural societies, participating in appropriation thereto, for violation of any provision herein and failure to comply with rules and regulations herein provided.

A protest of an award must be made in writing accompanied by an affidavit setting forth the grounds for protesting the award and deposit of \$50.00. In the event of the protest's being sustained, the \$50.00 will be returned to the complainant. If the protest is not sustained, the \$50.00 shall be forfeited to the association.

Exhibits are required to be in place on the opening day and remain for a period of five days, unless written permission has been granted by the Fair Association. Premiums will be paid on Friday, July 25, 2025 at 3:00 p.m. All Classes of Division II will be paid at the completion of the event.

Entry fees will be collected in all departments at the time entry is made. The Exhibitors Ticket has been discontinued. Exhibitors Permit will be purchased by all exhibitors in Departments A, B, F, G, and U at a fee of \$5.00 which covers administrative fees and gate pass. Additional exhibitor car passes can be purchased for \$20.00.

The Fair Board of Directors reserves the right to open departments to individuals outside of adjacent counties is necessary to maintain quality of show in departments. Department Q, Tractor Pull and Truck Pull will be open to the world.

All registration papers must be in the name of the exhibitors. Papers with farm names or father and son or daughter is not acceptable. All livestock exhibited must be in the owners possession for at least 90 days prior to the Fair date.

The Fair Association reserves the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions and differences in regard thereto

and add or amend these rules as they may deem advisable.

Camper fee for exhibitors and vendors: \$25.00 a day. All others by special permit.

STATE OF ILLINOIS DEPARTMENT OF AGRICULTURE

Reg. 1.53. These are permitted in connection with agricultural fairs only if they are open to boys and girls who are (8) eight years old, or in the third grade and not yet 21 years of age on or before September 1 of the year previous the fair. Rules and regulations in junior shows must, in most cases, be the same as those in the open show. Animals shown in junior Shows must be the property of the boys or girls showing them.

This can be proven by checking the registration papers. If these same animals are shown in the open classes, they must be shown in the same name. Thus the father is not permitted to show an animal in the open class and the son or daughter show the same animal in the Junior Show.

Reg. 1.54. Group showings or placings are not permitted. Herds or flocks cannot be made up of animals registered in the name of an older member of the family and shown by a son or daughter in the Junior Show.

Reg. 1.55. Fairs that are entirely Junior Shows and which do not have open classes will use the regular classes, mentioned herein, i.e., A Beef Cattle, etc. All classes of poultry, agricultural products, horticulture, floriculture, fine arts and textiles, dairy, apiary and culinary that are limited to the ages herein must show in Department P, unless they are showing in a strictly Junior Show fair, then again they will show in the property department as listed herein.

Reg. 1.56. In counties where the county board elects to have strictly a Junior Show and no county fair, livestock must be on the grounds on the opening date of the fair until the close of the fair unless otherwise instructed by the Department.

Reg. 1.57. Junior Show held prior to or after the opening classes must have separate and distinct classes and their dates must have prior approval of the Department.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters trainers or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs are administered in accordance with federal, state and provincial statutes, regulation and rules effect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood or other samples taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood or other substance tested by the laboratory to which it is sent is the one taken for the animal in question, its integrity is preserved and all procedures of said collection and preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counter-irritant or similar substance) which could effect the animal's performance or alter its natural contour, confirmation or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including fairs and Expositions and any special notices to members.
11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes regulation or rules may be released to appropriate law enforcement authorities and jurisdiction over such infractions.

2026 Exhibition Livestock Health Requirements
County Fairs

I. GENERAL REQUIREMENTS

1. These Exhibition Health Requirements apply to all livestock present on County Fairgrounds, including livestock that are not entered in competitive events. Species specific information follows the general requirements.
2. Exhibitors are required to familiarize themselves with all rules applicable to their exhibits.
3. All out-of-state animals must have an entry permit. Entry permit numbers are available online at <https://entrypermit.agr.illinois.gov/Login.aspx>.
4. All animals, except as noted in species specific information below, shall be accompanied by a Certificate of Veterinary Inspection (CVI).
5. All animals must be officially identified.
6. All livestock shall be subject to examination upon entry to County Fairgrounds. Examination may include but is not limited to ultrasound, urine testing, blood testing, and similar actions.
7. Definitions, abbreviations, and administration:
 - a. The Illinois Department of Agriculture may be referred to as “Department” or “IDOA”
 - b. The Department contains a Bureau of Animal Health and Welfare, which receives all CVIs.
 - c. Department or IDOA staff, as used in this document, includes all Bureaus
8. IDOA will continue to monitor state and federal trends in animal health as it relates to this document. Any updates to these requirements will be posted on our website.

**II. CERTIFICATE OF VETERINARY
INSPECTION REQUIREMENTS**

1. Certificate of Veterinary Inspection (CVI) means a legible record, made on an official form from the state of origin, containing an accurate description or identification of the animal including age, sex, breed, health status, and vaccination information.
2. The CVI must be signed, dated, and issued by a licensed and accredited veterinarian in that state.
3. Submitted CVIs must be as originally issued by the veterinarian; no CVIs with alterations, edits, or changes, will be accepted. The CVI must show that the animal meets all health requirements for the State of Illinois (species specific
2026 Richland County Fair

information noted later in this guidance)

4. CVI must show the name and address of the animal’s owner or exhibitor.
5. CVI must include the animal’s Animal Identification Number.
 - a. Animal identification number (AIN): A numbering system for the official identification of individual animals in the United States that provides a nationally unique identification number for each animal. The AIN consists of 15 digits, with the first 3 being the country code (840 for the United States or a unique country code for any U.S. territory that has such a code and elects to use it in place of the 840 code).
6. If one CVI is used for multiple animals, each animal identification must be made on a separate line.
7. Exhibitors are strongly encouraged to obtain electronic CVIs whenever possible; IDOA is moving toward only accepting electronic CVIs.
8. Exhibitors shall make CVIs available to Department of Agriculture and County Fair staff on request.
9. If an official electronic CVI is utilized, the exhibitor should be able to log on and show County Fair staff or Bureau of Animal Health and Welfare Personnel the completed CVI.
10. If animals are from tuberculosis accredited, brucellosis certified, pseudorabies qualified, or brucellosis validated herds, the identifying herd number(s) along with the date of the last herd test(s) shall appear on the CVI.
11. CVIs for out-of-state livestock shall be void thirty (30) days after issuance.
12. CVIs for Illinois-origin livestock shall be void ninety (90) days after issuance.

III. QUARANTINE AND REMOVAL

1. Quarantine shall be at the animal owner (or exhibitor) risk and expense.
2. Quarantine and removal from the Fairgrounds shall be as determined appropriate by the County Fair Veterinarian, State Veterinarian, or their designee(s).
3. Quarantine will be required until the animal has been properly treated and recovered, or the animal can be released to return to the owner’s premise, both in the opinion of the County Fair Veterinarian, State Veterinarian, or their designee(s).
4. Any animal presenting with a condition that would subject it to quarantine must be withdrawn from any/all entered

- competitions and are not permitted to exhibit.
5. Any condition meriting quarantine may also result in required removal of the animal from the Fairgrounds, as determined appropriate by the County Fair Veterinarian, State Veterinarian, or their designee(s).
 6. Conditions subject to quarantine (not an exhaustive list)
 - a. Any animal showing evidence of infectious, contagious or communicable diseases shall be held in quarantine.
 - b. Any livestock infected with scabies, mange, active lesions of ringworm, soremouth, or multiple warts which are easily visible without close examination
 - c. Sheep and goats with caseous lymphadenitis as evidenced by draining abscesses
 - d. Suspicion of or diagnosis of a foreign animal disease, emerging animal disease, or other actionable disease, animals may be subject to quarantine on the fairgrounds until such time that it is determined that the disease is no longer a threat.
 7. Any Illinois cattle, bison, cervidae or goats being exhibited in non-accredited free states must be isolated from the remainder of the herd/flock upon return to Illinois and retested for tuberculosis 60-120 days post-entry back into the state.

IV. SPECIES SPECIFIC INFORMATION AND REQUIREMENTS

The information included below for any species is in addition to the requirements noted above. There are no additional species-specific information or requirements for llamas, pigeons, or rabbits.

CATTLE

Identification:

Individual identification of each animal shall be by a USDA official animal identification number ear tag, ("840" tag). The identification tag must be able to be read both visually and electronically.

Illinois Cattle:

- Illinois is a Bovine Brucellosis Class-Free State and an Accredited Tuberculosis-Free State. Brucellosis and Tuberculin testing are not required for Illinois cattle.
- Illinois calves under 6 months of age are not required to have a Certificate of Veterinary Inspection.

Out-of-State-Cattle:

- Brucellosis
- 1. Female cattle six (6) months of age and older and bulls eighteen (18) months of age and older shall be negative to an

official test for brucellosis within thirty (30) days prior to entry onto the Fairgrounds, unless exempt by one (1) of the following:

- a. Originate directly from a certified brucellosis-free herd.
 - b. Official vaccinates of dairy breeds under twenty (20) months of age or official vaccinates of beef breeds under twenty-four (24) months of age.
 - c. Animal originated from a "Class Free" state (if entire state is so classified).
 - d. Animal is a steer or spayed heifer.
2. The negative brucellosis test shall be conducted at a state or federal laboratory within 30 days prior to entry onto the Fairgrounds.
 - Tuberculosis
 1. Accredited Tuberculosis Free States
 - a. No tuberculin test required.
 2. Non-Accredited Tuberculosis Free Areas or States (Not TB Free)
 3. Cattle must originate from a herd where a complete herd test was conducted within the past year.
 4. The individual animals entering Illinois must be negative to an additional tuberculin test conducted within 30 days prior to entry onto the Fairgrounds.

ALL Dairy Cattle (In-State and Out-of-State):

A rRT-PCR test for Influenza A virus (IAV) on milk from lactating dairy cattle present at county fairs shall be conducted prior to livestock arriving on the fairgrounds. The animals must be sampled no more than seven (7) days prior to the date of arrival, and a negative test record must be presented to Department staff.

SWINE

Identification:

Individual identification of each animal shall be by a USDA official animal identification number ear tag, ("840" tag). The identification tag must be able to be read both visually and electronically.

Illinois Swine:

Brucellosis and Pseudorabies testing are not required for Illinois swine.

Out-of-State Swine:

- Brucellosis
- 1. Breeding swine 4 months of age and older shall be negative to an official test for brucellosis within 30 days prior to entry onto the Fairgrounds unless exempt by one (1) of the following:

- a. Originate immediately and directly from a validated brucellosis-free herd.
 - b. Originate directly from a validated brucellosis-free state.
2. Swine brucellosis tests shall be conducted at a state or federal laboratory.
 - Pseudorabies
 1. Swine originating from a Pseudorabies Stage IV or V state are exempt from the pseudorabies testing requirement.
 2. Swine originating from a Pseudorabies Stage III state shall be negative to an official test for pseudorabies conducted within thirty (30) days prior to entry onto the Fairgrounds or originate immediately and directly from a qualified pseudorabies negative herd.
 3. Swine originating from a Pseudorabies Stage I or II state shall be negative to an official test for pseudorabies conducted within 10 days prior to entry onto the Fairgrounds.
 4. Barrows and females in market classes must meet the same requirements as breeding swine.

SHEEP

Identification

- Individual identification of each animal shall be by an ear tattoo or official metal or plastic tag. A microchip ID is acceptable if the owner provides the reader.
- Ear tattoos may be used when a registration certificate, listing the tattoo number, accompanies the animal. If the tattoos are not visible, another form of official identification must be presented.
- When using ear tags, the tag must indicate the premises ID and state of origin. The tag number must be assigned by a state or APHIS representative and recorded in the Scrapie Record Database.

Market Lambs:

All market lambs must be slick shorn (show ring ready) before weigh-in so that show lamb fungus can be identified.

Scrapie:

Sheep originating from a flock that has previously been classified as either an infected or source flock can be exhibited in Illinois upon the completion of an approved flock plan.

CVI must include the flock of birth and the flock of origin, if different.

GOATS

Identification:

- Individual identification of each animal shall be by an ear

tattoo or official metal or plastic tag. A microchip ID is acceptable if the owner provides the reader.

- Tattoos may be used when a registration certificate, listing the tattoo number, accompanies the animal. If the tattoos are not visible, another form of official identification must be presented.
 - Ears should be used for tattooing when possible. If there is no space in the ear, the flank or tail fold may be used.
- When using ear tags, the tag must indicate the premises ID and state of origin. The tag number must be assigned by a state or APHIS representative and recorded in the Scrapie Record Database.

Scrapie:

Goats originating from a herd that has previously been classified as either an infected or source herd can be exhibited in Illinois upon the completion of an approved herd plan.

CVI must include the herd of birth and the herd of origin, if different.

Out-of-State Goats:

Goats from states that are not Accredited Bovine Tuberculosis Free, must also have the following information included on their CVI:

1. That the goats originated from a herd where a complete negative herd test has been conducted within the past twelve (12) months and
2. The individual animals are negative to a tuberculin test conducted within thirty (30) days prior to entry onto the Fairgrounds.

HORSES, PONIES, MULES AND OTHER EQUIDAE

Equine Infectious Anemia

- All horses and other equidae, twelve (12) months of age and older entering the Fairgrounds, shall be accompanied by a negative test for equine infectious anemia (EIA) conducted within the last twelve (12) months.
- A copy of this test shall accompany the animal.
- AGID (Coggins) or ELISA tests are accepted.

Illinois Equine:

A CVI is not required for Illinois equine.

Out-of-State Equine:

All horses and other equidae shall be accompanied by a CVI issued within thirty (30) days prior to entry onto the Fairgrounds.

POULTRY

1. All entries (except waterfowl, i.e., domesticated fowl that

normally swim, such as ducks and geese) in a show or exhibition shall have originated from a U.S. Pullorum-Typhoid Clean or equivalent hatchery or flock OR have a negative pullorum-typhoid test within 90 days prior to exhibition. Exhibitor shall show proper information as to name and address of owner or exhibitor, name and address of the authorized testing agent, date of the testing and the number, breed, and species of those tested.

2. Prior to being used to transport poultry to a show, all crates, boxes, containers and vehicles shall be thoroughly cleaned and disinfected.
3. Any poultry vaccinations must be performed at least 4 weeks prior to delivery to the show.
4. Upon admission to a show, all entries shall be examined by the State Veterinarian or their designee or qualified state personnel who shall also receive and examine all certificates necessary for admission of birds to a show. Birds not in show condition will be removed from exhibition and must be removed from the Fairgrounds.
5. Any fowl showing signs of illness during the Fair will be removed from the Fairgrounds.
6. All out-of-state turkeys must originate from flocks that are officially classified as U.S. Mycoplasma Gallisepticum Clean in accordance with the provisions of the National Poultry Improvement Plan or be negative to a test for Mycoplasma gallisepticum within 30 days prior to entry.

**CERVIDAE: Deer, Elk, Reindeer, Caribou, Moose,
Red Deer and other Related Species
Identification:**

All animals shall be individually identified with an approved tag, microchip or tattoo. Elk are required to have two official/approved unique identifiers.

Illinois Cervidae:

- **Chronic Wasting Disease (CWD):** For cervidae moving within the State, the owner must obtain a permit issued by the Illinois Department of Agriculture prior to movement. The cervid must originate from a herd that is enrolled in the Certified Monitored Chronic Wasting Disease (CWD) Program or the Contained Monitored Chronic Wasting Disease Program. The permit shall be obtained no more than 72 hours in advance of the movement of the cervids by providing the following information:
 - Name and complete mailing address of person exhibiting the cervids;
 - Certified Monitored Chronic Wasting Disease or Contained Monitored Chronic Wasting Disease Herd number;
 - Name and complete mailing address of location where the animals will be exhibited;
 - Number of animals and unique identification of the animals.
- **Tuberculosis:** Illinois is an Accredited Tuberculosis-Free State. Tuberculin test is not required for Illinois cervidae.

Out-of-State Cervidae:

All Cervidae entering Illinois must:

1. Be in compliance with the Illinois Wildlife Code [520 ILCS 5]. For more information, contact the Illinois Department of Natural Resources at 217/782-6384.
2. Be accompanied by a permit from the Illinois Department of Agriculture
3. Have a CVI that:
 - a. shows that the cervidae are free from visible evidence of any contagious, infectious or communicable disease or exposure thereto, do not originate from a CWD endemic area (any county and surrounding counties where CWD has been diagnosed in the past five years);
 - b. shows that the cervidae are not originating from a herd under quarantine for any contagious, infectious or communicable disease;
 - c. shows that the animals originate from a herd that has been monitored for at least 5 years under a state-approved CWD certification program.
4. **Brucellosis:** Cervidae six (6) months of age and older must have a negative brucellosis card or PCFIA test within sixty (60) days prior to entry onto the Fairgrounds.

5. Tuberculosis

- a. Accredited Tuberculosis Free States: All cervidae twelve (12) months of age and over shall be negative to two (2) tests for bovine TB no less than ninety (90) days apart with the second test conducted within ninety (90) days prior to entry onto the Fairgrounds. These animals shall be isolated from all other members of the herd during the testing period unless they originate from an accredited, qualified or monitored herd.
2. Cervidae from an accredited herd may be moved into Illinois without further TB testing provided that a certificate stating that such cervids originated from an accredited herd accompanies them.
3. Cervidae originating from qualified or monitored herds may enter with a negative test within ninety (90) days prior to entry onto the Fairgrounds and a certificate stating that the animals originate from a monitored herd.
- d. Non-Accredited Tuberculosis Free Areas or States (Not TB Free)
 5. All cervidae shall originate from a herd where a complete herd test was conducted within the past year.
 6. The individual animals entering Illinois must be negative to two (2) additional TB tests conducted

within 180 and 30 days prior to entry onto the Fairgrounds.

RATITES: Ostriches, Emus, Rheas, Cassowaries and Kiwis

Illinois Ratites:

There are no requirements governing the movement of ratites within Illinois.

Out-of-State Ratites:

1. Individually identified by leg band or microchip.
2. Negative test for Avian Influenza within 10 days prior to entry onto the Fairgrounds.

Have you heard the great things they're saying about us?

*“I’m so thankful to have Dr. Patel available locally.
He gets me in pretty quickly when I call needing another
appointment, and he knows my symptoms and problems.”*

– Margaret Kermicle, Carle Richland Pain Clinic Patient from Olney

Chronic pain can be a difficult road to travel in life’s health journey. But it doesn’t have to be a lonely one, bereft of relief. Nor do you have to look far for help. Effective, compassionate treatment is available at the Pain Clinic at Carle Richland Memorial Hospital. Just ask our patients. Carle Richland has a full-time pain management provider available to care for you. If you live with chronic pain, ask your primary care provider for a referral to the Carle Richland Pain Clinic.

ILLINOIS DEPARTMENT of Public Health

Policies and precautions of the division of Foods and Dairies covering Mobile and Itinerant Food Service Establishments:

These policies and procedures are designed to cover mobile or temporary/stationary food service establishments such as food and beverage vending stands, mobile food or beverage vehicular trailers or trucks or temporary food service establishments found at State and County fairs, carnivals, large picnics, festivals, athletic events, etc.

Where such food service establishments come under the jurisdiction of a full-time accredited health department which has ordinances requiring sanitary conditions equivalent to or stricter than Illinois Uniform Food Act and the accredited health departments shall inspect and license such food service establishments.

In areas other than those covered above the personnel of the Illinois Department of Public Health's Division of Food and Dairies shall inspect the food service establishments above described.

It shall be the duty of the operators, owners or proprietors of all these food service establishments to comply fully with both the State and local Laws, Rules and Regulations from the State stand-point, recommended precautions covering the dispensing of food and drink at State and County fairs and other similar public gatherings is attached. Local Health Departments may require stricter regulations and should be consulted wherever they have pertinent ordinances.

ILLINOIS DEPARTMENT OF PUBLIC HEALTH BUREAU OF ENVIRONMENTAL HEALTH DIVISION OF FOOD AND DRUGS

Temporary Food Service Establishment Regulations

The following items are required for compliance with the Illinois Department of Public Health's Food Service Sanitation Rules and Regulations pertaining to operation of a temporary food service facility at fairs, carnivals and other public gatherings.

2026 Richland County Fair

1. Food Supplies: All Food supplies, including meat, milk, vegetables, etc., shall be obtained from sources complying with applicable State Laws and Regulations. All food shall be clean, wholesome, free from adulteration and misbranding. Home-canned foods will not be permitted. All fruits and vegetables shall be washed before being used. Food stands which freeze dairy products must have a "Certificate of Approval" from the Division of Food and Drugs.

2. Personal Hygiene: Personnel with boils, cuts, respiratory infections and communicable diseases shall not be permitted to work in a food stand. Fingernails shall be trimmed, hands and arms shall be washed and clean before starting work, washed after visiting the toilet and washed as frequent as necessary during the day. Employees shall wear clean outer clothing. All female employees shall wear hairnets. Male employees shall wear caps and if hair is kept long, a hairnet shall be worn also. Smoking or other use of tobacco is not permitted by food stand personnel in food preparation or sales areas.

3. Handwashing Facilities: Convenient and adequate handwashing facilities shall be provided in each establishment. The minimum shall consist of a pan, water, soap and individual towels. Common towels are prohibited.

4. Menu Restrictions and Food Preparation: Potentially hazardous food such as cream-filled pastries, custards, cream pies and meat, poultry and fish in the form of salads or sandwiches shall be prohibited. The proceeding does not apply to hamburgers, frankfurters and other food which, prior to serving, requires just seasoning and cooking.

Fresh pork and poultry must be heated throughout to a minimum internal temperature of 165°. Chicken pies, chicken fricassee and chicken and noodles shall not be prepared or served.

All hamburgers intended for use in sandwiches shall be purchased in patty form only. Hams, including "pre-cooked", shall be thoroughly cooked prior to serving. Potato salad shall not be prepared or served. Left over potentially hazardous food, including sandwiches, shall not be offered for sale the following day.

5. Refrigeration and Food Temperature: Potentially hazardous food, which consists in whole or in part, of milk or milk products, eggs, meat, poultry and fish shall be maintained at temperatures of 45°F or below, or 140°F or above. Only

mechanical refrigeration shall be permitted for maintaining refrigeration temperatures.

6. Food and Drink Storage and Display: All food supplies shall be stored off the ground, on pallets or shelves. All food shall be properly covered to prevent contamination, etc.

Wet storage of packaged food and beverages is prohibited. Pressurized containers of soft drinks may be stored in ice water if the water contains at least 50ppm of available chlorine and if the water is changed often enough to keep both the water and the containers clean.

All food on display, such as cotton candy, candied apples, etc., shall be covered or be individually packaged to prevent contamination from dust and other elements.

7. Condiment: Sugar, mustard, catsup and other condiments shall be individually packaged or dispensed from an approved dispenser.

8. Ice Supply and Handling: Ice that is consumed or which will come in contact with food shall be obtained from an approved source in chipped, crushed or cubed form, transported and stored in single service, closed container bags. Bagged ice shall not be stored directly on the ground.

Containers for storage of ice on location shall be constructed of easily cleanable materials, equipped with a drain and provided with overlapping tight-fitting covers. Dippers or scoops shall be used in dispensing of ice. Hand dipping of ice is prohibited.

9. Water Supply and Storage. An adequate supply of sanitary drinking water, food preparation, handwashing and cleaning utensils and equipment shall be provided in the food stand. Wherever possible, a pressure supply system is recommended. Hot water shall be made available for cleaning purposes.

10. Multi-Use Eating and Drink Utensils: The manual washing of plates, glasses, cups and silverware is prohibited. Only single service tableware and utensils shall be used, including cups, plates and eating utensils. Facilities shall be provided for washing pots, pans and similar utensils.

All single service articles shall be properly stored to prevent contamination of surfaces in contact with the mouth of a customer. Only individually wrapped drinking straws shall be used.

11. Food Equipment, Construction and Cleanliness: Only food equipment that is in good repair and cleanable shall be used. Food-contact surfaces shall be corrosion resistant, nonabsorbent, non-toxic, free of breaks, open seams, chips, pits and similar imperfections.

Galvanized containers shall not be used for preparation,

display and storage of acid drinks. Appropriate scoops, tongs, spoons and forks shall be provided to minimize manual contact with food.

After each usage, all kitchenware and food contact surfaces of equipment, exclusive cooking surfaces, used in preparing, serving, display or storage of foods, shall be thoroughly cleaned to sight and touch. All counters and shelvings shall be kept clean and presentable at all times.

12. Liquid and Solid Waste Disposal: All liquid waste shall be disposed into public sewers in such a manner as not to create a public health hazard or nuisance condition.

An adequate number of approved garbage containers with tight-fitting lids shall be provided at each stand.

It shall be the responsibility of each food stand owner or operator to keep the grounds surrounding their stand free of food scraps, paper and other debris.

13. Food Stand Construction: Kitchen and food preparation areas shall have ceilings and sides so constructed as to minimize the entrance of insects and dust. Ceilings and sides may be wood, canvas or other materials which will protect the interior of food stand from the elements.

Effective shielding shall be provided consisting of glass or other durable materials where necessary to prevent contamination of food and food preparation equipment from dust, rain, flies, insects, consumer handling and other elements. These restrictions also apply to concessionaires distributing free food samples.

Kitchen and food preparation area not located on concrete or asphalt surfaces shall have temporary flooring constructed of wood and elevated to prevent contamination of food by dust, mud, etc. Sawdust shall not be used as a floor covering. Flooring in outdoor permanent stands shall be maintained in good repair.

All wood framing shall be freshly painted, in good repair and maintained in a clean condition. All canvas shall be in good repair and maintained in a clean condition.

The proceeding will be subject to approval by the inspection agency when the food stand is assembled.

14. Utilization of Food Service Facilities Located Off the Fairground: Facilities such as church kitchens and commercial restaurant, etc., which are utilized for off the grounds preparation of food served at the fair shall meet the Food Service Sanitation Regulation of the Illinois Department of Public Health.
